The Story of Sole'renity

Sole'renity Spa arose conceptually as a means to complete wellness utilizing treatments linking the mind, body, and soul. The journey began, by the grace of God, in August of 2011 in downtown Gainesville, Texas nestled in a 100-year-old building on the courthouse square. Sole'renity Spa became a refreshing change of pace for the North Texas community and quickly gained notoriety.

The Chickasaw Nation became interested in Sole'renity Spa's unique approach to providing complete guest experiences. Sole'renity was given the opportunity to operate a state-of-the-art spa facility. Sole'renity Spa is now recognized in the country as a Top-Ten family spa destination providing guests and the public with the finest health and wellness treatments, through holistic and therapeutic methods, within a relaxing spa sanctuary at the historic Artesian Hotel.
